

## 21 Essential SEO Tips to Get You Found Fast: An Expert Interview with Kathy Alice Brown (Authors Who Rock)

Have you ever wondered why your website is not getting enough search engine traffic? Are you passionate about your work, but have trouble communicating it online so that the right clients can find you? Get your website found with Amazon Best Seller, 21 Essential SEO Tips to Get You Found Fast: An Expert Interview with Kathy Alice Brown. Learn to: --Create rich content for your blog to attract your ideal clients and keep them on your site longer. --Find the right keywords to describe your market so you can connect with your tribe. --Grab the best plugins to maximize your search engine results. --And much more! This book gives you quick and easy tips on search engine optimization you can read the book in a day and start implementing the advice right away. It is the first in a series of Kindle books called Authors Who Rock, based on a 14-part Writing and Editing Today Technology Teleseminar I hosted. I interviewed a select group of exceptional authors who advise writers and entrepreneurs with helpful tips to build successful blogs, leading to more book sales, healthy businesses, and a renewed inspiration to overcome technology blocks. The books in this series are adapted from transcribed conversations with my experts, and each book highlights one expert at a time to make the learning experience easy. This interview features my co-author, Kathy Alice Brown, who is the quintessential Author Who Rocks. She is an expert in Search Engine Optimization (SEO), and is one of the few women in her field whose website traffic skills have gained her recognition in a predominately male technology-centered industry. In this interview, she has highlighted key points so that readers can identify important tips that will help them springboard their online marketing platforms into the 21st century. Your WordPress Blog in Six Easy Steps!  
Enjoy! Gina Akao Writing and Editing  
Today, Owner

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

2017-01-22\_10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22\_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

20170122\_123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22\_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122\_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122\_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no

conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
