

## Penguin Book for Kids: Stunning Photo Marine Book for Kids with Fun Information and Facts on Penguins (The Amazing World Series 3)

Penguin Book for Kids: Stunning Photo Marine Book for Kids with Fun Information and Facts on Penguins Join us on the amazing insight into the world of penguins Childrens author Mark J Evans presents Penguin Book for Kids: Stunning Photo Marine Book for Kids with Fun Information and Facts on Penguins. This book uses stunning photographs and text carefully written for your child to understand and enjoy. You and your child will learn all about penguins and get to see them in various settings within the photographs. The book is jam packed full of interesting facts. Why does a penguin wear a tuxedo? When a penguin is swimming and a predator is looking at the penguin from above, the penguin's dark feathers blend in with the dark sea and hides the penguin. If the predator is looking up from inside the water, the light feathers blend in with the bright sky, and the penguin is still kept hidden! What You and Your Child Will Learn About The Anatomy of Penguins Penguin Senses How Penguins Feed Baby Penguins Penguin Conservation Penguin Habitat and Much Much More! ??? Join us now on this fascinating road of discovery into the world of the penguins! Your kids will enjoy leaning with the bright photographs that look awesome on Kindle devices, iPads, iPhones, tablets, and computers ??? Make Learning Fun for Kids! Suitable for Children (and adults) of Any Age! Click on Look Inside Above for a Sneak Preview of this penguin book!

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

2017-01-22\_10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22\_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

20170122\_123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22\_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122\_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122\_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
