

Yankee Stadium: A Tribute: 85 Years of Memories: 1923-2008

A nostalgic and reverent look at The House That Ruth Built -- the most famous and historic baseball stadium in professional sports. Relive 85 years of memories in Yankee Stadium with a DVD highlighting the Golden Age of Yankee stadium, exclusively produced for Yankee Stadium: A Tribute and narrated by legendary Hall of Famer Reggie Jackson. Since its opening in 1923, Yankee Stadium has been the scene of 26 championship titles and some of the greatest achievements in baseball history, including Babe Ruth's 60th home run during the 1927 season, the race for the home run title between teammates Roger Maris and Mickey Mantle, Jim Abbott's 1993 no-hitter, and Aaron Boone's 2006 game-winning run against the Red Sox to clinch the American League Championship Series. Yankee Stadium: A Tribute is a celebration of this great landmark and its history, a beautiful piece of nostalgia for the millions of fans who have visited baseball's most celebrated ballpark. The House That Ruth Built was the stage for scores of other athletic events, including football and boxing. It has played host to some of the world's most important cultural events, including the first papal mass in North America in 1965 and the first memorial service for the victims of the September 11, 2001, attacks. Yankee Stadium: A Tribute -- written with the cooperation of key Yankee players from the past and present -- celebrates this great monument and the unforgettable events of its 85-year history.

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

2017-01-22_10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra

segunda cima del día.

2017-01-22_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

20170122_123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
