

Paul - In the Arena for God (Paul - Mighty Champion for God Book 2)

Description This is Book Two of a three-part series on the complete life of the Apostle Paul, Paul, Mighty Champion for God. In Book One, we saw the mighty hand of God working out His purposes in the life of the Apostle Paul - The Making of a Champion. The apostle was then still known by his Jewish name, Saul of Tarsus. The young Saul has been prepared, trained, disciplined and tempered for the many battles he would have to fight in the Great Games of life as Gods Gladiator. Paul is in the starting blocks, preparing for the race of his life. In Book Two, In the Arena, the Apostle Paul is ready to be thrust into the harsh arena of life as he prepares to conquer the Greco-Roman empire for Christ. This book provides some probable answers to hints and clues dropped by the Apostle Paul in his letters to the churches, pointing to unimagined drama, adventure and trauma. Where speculation was required, it was based on 40 years of research using the criteria of biblical and historical probability. Paul emerges as a true champion over frightening adversity, surviving floggings, beatings, persecution, shipwrecks, bandits, floods, riots and mob violence. The Apostle Paul is a true champion of faith and Gods amazing grace. Here we have the epic tale of a missionary extraordinaire. It is a tale of the apostles endurance under unrelenting persecution and physical trials. But above all, it is a tale of a true spiritual giant of God. This is the second part of a remarkable historical biographical novel which has all the drama of a big-screen film epic. The story also traces the circumstances leading up to the writing of the Apostle Pauls early letters to the churches, revealing the heart and passion of the man behind the letters, and provides valuable commentary of the Book of Acts and the life of the early church.

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

2017-01-22_10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

20170122_123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
