

Booms, Busts And Billionaires: A Decade Of Forbes Oil Stories

In the last decade, rollercoaster oil-and-gas prices have inspired wildcatters to take big risks in new regions, with new methods of drilling. Their efforts also spurred entrepreneurs to look for economically viable alternatives like wind, solar, biofuels and electric cars. But in the energy industry success is usually followed by oversupply, which explains the oil glut and the lower prices were enjoying now. Forbes Southwest Bureau chief Christopher Helman has covered the energy industry since 2004. Here you'll find 21 tales of living legends like Aubrey McClendon, Richard Kinder and Harold Hamm, profiles of energy giants Saudi Aramco, ExxonMobil, Chevron and Total, and interviews with innovators in biofuels and Peak Oil pessimists, along with an investigation into Goldman Sachs likely role in manipulating oil prices. For anyone who wants to know how oil impacts our lives and those interested in where the industry is headed, look no further than Booms, Busts And Billionaires: A Decade Of Forbes Oil Stories.

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

2017-01-22_10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

20170122_123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo. 2017-01-22_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no

tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
