

Australian Television: Programs, pleasures and politics (Australian Cultural Studies)

Media, communications and cultural studies form a rapidly growing part of secondary and tertiary education in Australia, yet there have been few books dealing specifically with Australian television. This is the first wide ranging study of television in Australia, and includes a coverage of the cultural and institutional history of Australian television as well as examining a wide range of television programming. Prisoner, Perfect Match, Hey Hey Its Saturday, A Country Practice, Vietnam and Beyond 2000 are some of the programs described and analysed. Issues are raised such as the relationship between children and television, the role of the television documentary and the function television serves in constructing communities. The contributors to Australian Television: Programs, Pleasures and Politics include some of the leading researchers in Australian television and cultural studies and their articles employ a wide range of methods - from semiotic analyses to cultural histories. Despite their dealing with often quite sophisticated problems, the chapters are written in an accessible and lively manner. This is an important collection which opens out space for more informed and challenging discussions of Australia's television culture - its programs, its meanings, its pleasures and its politics. It will be an invaluable text for all tertiary television, media studies, communications studies, Australian studies and cultural studies programs.

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

...donde podremos completar la ruta con una visita a las propias Salinas.

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
