

Corporate Reputation and its Importance for Business Success: A European Perspective and its Implication for Public Relations Consultancies

MA-Thesis / Master, die am 31.10.2002 erfolgreich an einer Universität in Großbritannien eingereicht wurde. Abstract: Ignored for a long time, intangible assets are now gaining increased attention. In the last decade, especially in the United States, company managers recognized that intangible assets may provide companies with a more stable basis for competitive advantage than patents and technologies. Hence, companies started to invest in corporate Public Relations (PR) activities to communicate good corporate behaviour, gain good will and to improve the public perception of their corporate reputation. The main aim of this dissertation research project is to develop an understanding of the European perspective of corporate reputation and its management and importance for business success. Based on a literature review on the topic of marketing communications and PR, which comprises the first part of the dissertation, a questionnaire has been developed in order to examine expert opinions. The discussion on research methods can be found in the third chapter. Hosted by the PR consultancy Weber Shandwick Worldwide, the questionnaire has been sent to 700 of Europe's leading companies. Communication managers were asked for their opinions on the topic of corporate reputation and its importance for business success. The fourth chapter discusses and evaluates the results of the pan-European survey. The last part of the dissertation actually discusses the implications of findings for Weber Shandwick and its reputation management practice. Table of Contents: 1. Introduction 1 1.1 The dissertation topic 1 1.2 Weber Shandwick Worldwide 4 1.3 Structure of the dissertation 5 2. Literature Review 8 2.1 The relationship between the marketing communications function, corporate communications and Public Relations 8 2.2 Principles of Public Relations 15 2.2.1

Public Relation practices promoting the corporate brand 16
Public Affairs 16
Investor Relations 17...

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

2017-01-22_10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

20170122_123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no

conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
