

The Pipeline: The Secret but Simple Art of Getting Laid (In 30 Days or Less, GUARANTEED!)

This small book began as an experiment. The authors are both successful career salesmen and we decided to apply basic sales techniques to the art of getting laid. Sales is really about selling yourself and building a pipeline of opportunity. After years of practicing the Pipeline for ourselves, we began to record our success and document the formula. It didn't take long before our friends began taking note. They asked, How do you get so many women? The answer: The Pipeline. Given the number of opportunities we created when applying these incredible simple techniques to picking up the opposite sex, the title of this text was a no-brainer, The Pipeline: The Secret but Simple Art of Getting Laid in 30 Days or Less, Guaranteed. If you follow the easy steps in this book, you WILL get laid in less than a month. This is guaranteed or your money back. It doesn't matter what you look like, or what your past experience with women has been, or how little money you have, or what you drive, you will have sex with someone in thirty days that you did not know at the start of reading this book. !PERIOD!

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

20170122_123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
