

## Al Kaline: The Biography of a Tigers Icon

In the Tigers clubhouse of today, stars Miguel Cabrera, Justin Verlander, and Curtis Granderson - none of whom were even born when he played in the major leagues - respectfully address him as Mr. Kaline. Tigers fans around the country of every generation refer to him simply as Mr. Tiger. For more than a half century, as a superstar ballplayer, television broadcaster, and front office executive, Al Kaline has personified the Detroit Tigers like no one else - including the tempestuous Ty Cobb, Hammerin Hank Greenberg, beloved Alan Trammell, or steady George Kell - has ever done before. Now, for the first time, the life and career of this remarkable individual are presented in this compelling new biography. Learn how the skinny, shy youngster with a deformed foot and an undying love for the game went straight from high school and the sandlots of Baltimore to the big leagues where, at the age of 20, he became the youngest batting champion in baseball history. That achievement marked the start of a first-ballot Hall of Fame career that would carry him to 3,000 hits and a plaque on the hallowed wall at Cooperstown

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

2017-01-22\_10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22\_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

20170122\_123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22\_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122\_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122\_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
