

The Network Marketing Manual: Work from Home and Get Rich in Direct Sales

You too can live the life of your dreams, thanks to network marketing. If a 19-year-old shy kid like me can earn a full-time income in three years, anyone can! Learn how to: Become a Top Earner in Your Multilevel Marketing Company I was 19 years old when I first started working in the network marketing industry. Little did I know that the decision to build my own network marketing business would lead me to the time freedom and lifestyle I have today. By the time I graduated from college I was earning a full-time income as a network marketer even though I was only working about 10 hours a week. Live the Life of Your Dreams The freedom this business has given me has allowed me to follow my passion and truly live my dreams. Thanks to the great income and small amount of time I have to work in my network marketing business, Ive been able to write and publish several international best-selling books and start a successful online marketing company of my own. But I can honestly say this: out of everything Ive done in my life, the one thing I am the most proud of is helping my network marketing team achieve their dreams in this industry. Ive been able to help people come out of poverty into wealth. Out of ignorance into knowledge. Out of darkness into light. And I think thats what network marketing is all about. More than the money, its about the journey. Its about the relationships. Its about the personal growth and development that can only come from overcoming our fears, worries, anxieties, and imperfections. If youre looking for a legitimate way to make money from home, network marketing could be the perfect opportunity for you! Its not a way to get rich quick, as some hyped up companies will tell you - but it is definitely a great way to get rich over time.

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
