

DK findout! Stone Age

Go back to prehistoric times to see what life was like in the Stone Age in DK findout! Stone Age. Learn how early humans discovered fire, how they used stone to create tools, and how they fought to survive. Meet a Stone Age human to see what they wore, sample some of their favorite foods, and find out what Stone Age kids did for fun. Do you play the same games as kids in the Stone Age? Visit cave dwellings to see some of humans earliest homes, and take a closer look at prehistoric cave paintings. Spot the differences between an elephant and a woolly mammoth, learn the sign language of our early ancestors, and become a Stone Age detective in DK findout! Stone Age. Filled with colorful images and quirky facts, DK findout! Stone Age is engaging and educational. Pull out the special cover flaps to see extra information about the Stone Age, read an interview with an expert, and follow the timeline of the Stone Age. Learn more about the Stone Age or anything else at www.dkfindout.com, a free educational website for kids to have fun with information and to expand their knowledge. From the creators of DK findout!, the free online resource for kids, comes an exciting new book series full of amazing images, incredible quizzes, and cutting-edge information kids need to know. The DK findout! series helps kids become experts on their favorite subjects from dinosaurs to space. Learning doesn't get more fun.

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

2017-01-22_10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

20170122_123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
