

Franks Way: Frank Cass and Fifty Years of Publishing

This is a history of Frank Cass, the man, and Frank Cass, the company. The two are inextricably linked together, so it is inevitably a mixture of both a company history and a biography, set against the dramatically changing background of the publishing trade during more than fifty challenging years. It recounts the story of Franks life, from when as a 19-year-old he started the first day of his working life as an assistant in a bookshop, through being a bookshop owner selling antiquarian and other second-hand books, to an independent publisher reprinting out-of-print academic books, then new academic books, and finally academic journals that covered a wide field ranging from politics and military studies to sport and the environment, from international human rights to European security, from legal history to middle eastern studies. His working life spanned almost sixty years from 1949 to 2007, and each decade presented its own challenges and opportunities. Frank survived the 1950s when the country was recovering from the austerity that followed the Second World War; the 1960s, a period of growth but one demanding additional capital to feed it; the 1970s of Edward Heaths three day week and James Callaghans winter of discontent; the 1980s, when almost every publishing firm, including some of the largest, was forced to make severe cutbacks and lay off staff; and the 1990s and the millennium which brought with them the spectacular growth of the Internet which many believed would threaten the very existence of the book and lead to its demise in its traditional form. Although Frank Cass & Co was much the largest part of Franks publishing interests, in the 1970s he invested in Irish Academic Press and Vallentine Mitchell. After the sale of Frank Cass & Co to Taylor & Francis, Frank devoted much of his time to developing the lists of these two companies, remaining

actively involved with both until just a few weeks before he passed away. Through a mixture of history and anecdote, this book tells the story of Frank Cass's great adventure in publishing.

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

2017-01-22_10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

20170122_123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no

conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
