## Georgia Class-D Minor League Baseball Encyclopedia

This 502 page book is a statistical history of the Georgia-Alabama, Georgia-Florida, and Georgia State Baseball Leagues spanning from 1906 to 1963. It features player statistics for nearly every player who ever pitched, batted, or took the field in one or more of these leagues. Also featured are recaps of each year and league, team rosters of each team, season and all-time league leaders and records, league all-star teams, maps of each league by year, players who played/managed at the major league level, and more. See the stats of Willie McCovey from his first professional baseball assignment in Sandersville, Georgia in 1955. Check out the early managerial numbers of Earl Weaver when he played and managed for Fitzgerald and Dublin in 1957 and 1958. Another Hall-of-Famer named Red Schoendienst made his professional debut down in Albany, Georgia in 1942. Numerous big leaguers got their start playing class-D baseball in one of the small Georgia cities. League cities in Georgia include: Albany, Americus, Baxley, Brunswick, Carrollton, Cedartown, Columbus, Cordele, Douglas, Dublin. Fitzgerald, Eastman, Griffin, Hazlehurst, Jesup, LaGrange, Lindale, Lyons, Moultrie, Newnan, Rome, Sandersville, Sparta, Statesboro, Thomasville, Thomson, Tifton, Valdosta, Vidalia, and Waycross. Cities who participated from other states include from Alabama: Alabama City, Anniston, Attalla, Dothan, Gadsden, Huntsville, Lanett, Opelika, Selma, Talladega, Tallassee, and Valley; and from Florida: Gainesville, Panama City, and Tallahassee. This book is loaded from cover to cover with statistics and information about these three great class-D minor leagues. Sorry, there arent any pictures except on the cover. Hoping to have a photographic history of the leagues in the near future.

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la

sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

2017-01-22 10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22\_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

20170122 123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22 13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122 142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122\_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
