

Its All Just Stuff!! A Short Story

WHY I WROTE THIS STORY In a moment life can change, one phone call, one bad diagnosis from a Doctor! Health. Death. Financial problems. Anything can stop you in your tracks. All of a sudden all that seemed so important now means nothing! Its not what you go through, but how you go through it. Trust me... You dont know until it stares you right on the face. In 2005, I faced life at its most difficult. My beautiful sister, Linda, was told she had cancer. She lost her battle ten months later. Her death made me really take inventory of my priorities. Linda and my dog, Latte, inspired my short story, Its All Just Stuff. The years that have followed, revealed fully what Linda had told me; God has a purpose for Latte in your life and one day you will understand. Latte was a loving, loyal faithful friend, a companion who loved unconditionally. No wonder Dog spelled backwards spells God.

Latte went to His heavenly home suddenly, on June 19, 2014, after being by my side every moment for the past six months as I laid in a hospital bed in my great room. That very day, I had my hospital bed picked up. I believe God created our furry little ones to teach us, their masters, many of lifes valuable lessons. I believe they are truly a gift from God! Its All Just Stuff!!

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

...donde podremos completar la ruta con una visita a las propias Salinas.

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
