

Midnight Magic: Be Careful What You Wish For!

Mattie is fourteen-year-old and obsessed with horses. Thrilled to discover a primitive painting of a beautiful black horse hidden in the attic of her grandmothers home, it is not long before Mattie realizes the image of the painted horse seems to be coming to life. This is no ordinary work of art-this is a painting with a fascinating history that Mattie is about to unearth. One moonlit night, Mattie leaves the safety of her grandmothers home and ventures deep into the surrounding forest where she meets a wild horse who bears an uncanny resemblance to the one in her painting. Mattie and her mystery horse form a bond that she instinctively knows she cannot reveal to anyone. The mysterious spirit who inhabits the painting seems to gain strength as Matties bond with the wild horse deepens. But Mattie is uneasy as she wonders-and fears-if the two are somehow connected. Mattie soon realizes she should have heeded her grandmothers warnings to be careful what she wishes for in life-for it is one thing to hope her painted horse is real and quite another to discover he might be.

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
