

## MLM/Networking: Simple, Cheap, and Easy for Everyone

Learn to build any MLM/Networking business from your kitchen table or car seat. Add income through networking/MLM as either a side business, hobby, or full-time adventure Venus shows you how. Author Venus Andrecht has more than 35 years of success in network marketing. She is the author of the wildly popular MLM Magic and other books. She lectures and trains for companies and has learned how to pave all roads with MLM gold. MLM/Networking: Simple, Cheap and Easy for Everyone teaches you everything you need to make your business thrive! Venus believes that you shouldn't have to spend hardly anything to start a networking business, and that the simplest, lowest cost methods for business-building are usually the best. You'll also discover methods to find the BEST loyal customers as well as other people who, like you, want to build extra-income in their lives. In addition, you'll learn: How to build a strong, smart and lucrative downline How to spend almost nothing on an office that works The best ways for training and retaining your downline/distributors How to get others to sign up with you Effective ways to follow up with people, and how and when How to talk to strangers and open conversations How to get people to try your product How to use your upline to get the support you need And more!

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

2017-01-22\_10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22\_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

20170122\_123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22\_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122\_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122\_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen.
