

Arctic Tale: A Companion to the Major Motion Picture

Arctic Tale accompanies a new Paramount Vantage motion picture from the producers of *March of the Penguins*, the 2005 Academy Award winner and highest-grossing natural history film of all time. The film, narrated by Queen Latifah, follows the dual drama of Seela and Nanu, a walrus calf and polar bear cub, as they embark on their astonishing journey from infancy to maturity amidst the stark beauty of the Arctic landscape. Protected by mothers who will stop at nothing to ensure their safe passage to adulthood, both cubs romp in their cold playground as ever-present threats of starvation, predators, and a harsh homeland are overcome in an unrelenting life-and-death struggle to survive. Each year in the unforgiving, frozen wilderness the two giants of the North Pole—the walrus and the polar bear—begin the cycle anew, of birth and death; of love and life; and of self-sacrifice and great danger. Adapted and deeply expanded from a sweeping screenplay, *Arctic Tale* features 150 stunning, full-color National Geographic photographs and stirring text that tell the heartwarming tale of motherhood, community, the circle of life, and the rapidly changing environment that is home to these splendid animals. Both the book and film call awareness to the global warming crisis through emotional connection to the characters. A foreword by directors Adam Ravetch and Sarah Robertson and a special Making the Film chapter at the end of the book reveal amazing behind-the-scenes battles against cold, ice, and walrus mothers, and add insight and understanding to the riveting story. From the Trade Paperback edition.

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se

intuye precioso.

2017-01-22_10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

20170122_123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
