

Stop Panic Attacks & Anxiety: The Drug-Free No BS Guide to Managing Panic Disorder

Statistics has shown that around 18.1% of the adult population in the United States are affected by anxiety attacks, commonly known as panic attacks to various degrees in a given year. It is a staggering figure. When you have an anxiety attack, you may experience sudden and unexpected bout or episode of intense fear or apprehension that you are losing control. Panic attacks usually begin abruptly, may reach a peak in 10 to 20 minutes, but may continue for a few hours in some cases. If you have been struggling with panic attacks and anxiety, here is the good news. You have come to the right place because your life is about to change as I am going to show you the proven steps and strategies to manage panic disorder. Know that you are not alone. Just as it has affected millions of people, many have gone through the challenges and emerged victorious and stronger, leading a happier, healthier and fulfilling life. Here are just a couple of the things you will learn about: - What Panic Attack Is - Causes & Symptoms - Coping Strategies & Treatments - Helping Others - Inspirational Stories And much, much more!

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

2017-01-22_10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

20170122_123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
