

Getting Yourself Sponsored: For Authors, Associations, or any Business... Your Blueprint to Unlock Brand New Revenue Streams

The #1 reason more groups and associations don't utilize sponsorship to increase their business revenue... They Never Thought to Ask! Or, if they did think to ask, they don't know how to ask or how much to ask for. It's estimated that this year companies, corporations, and businesses across America will spend over \$17 Billion (...that's billion with a B!) in underwriting events, programs, meetings, teams... and businesses just like yours! In this book you will learn... How to put your hands on an invisible mountain of cash something you're completely missing out on right now! Where to find companies interested in sponsoring your events, meetings, classes, newsletters, and association gatherings The 5 Most Common Fallacies about Sponsorships What's the least amount you should get for your sponsorship package? (It's probably a lot higher than you think!) The Magic Formula to get what you're asking for While it's true that sponsorships have long been the stalwarts of sports teams like the Yankees and Cowboys, the underwriting of meetings and associations has become the hottest new trend in sponsorship!

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

2017-01-22_10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

20170122_123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
