

Guys, Dolls, and Curveballs: Damon Runyon on Baseball

Guys, Dolls, and Curveballs is a delightful collection of ballpark dispatches from one of the game's most unique chroniclers Damon Runyon, the legendary reporter and creator of such mythic gangster icons as Nathan Detroit and the Lemon Drop Kid. Best known as the bard of Broadway for turning two-bit hustlers and deadbeat horseplayers of Jazz Age New York City into literary legend, Runyon was first and foremost a newspaperman. After arriving in New York from Colorado in 1911, Runyon went to work for Hearst News Service as a baseball beat writer. It was at the ballpark that he honed his legendary skills for finding the story where no one else bothered to look. A master wordsmith, Runyon covered giants of the era such as Ty Cobb, and a Boston Red Sox pitcher named Babe Ruth. In addition, he brought an influential style to observing the rituals and rhythms of the ballpark, wryly commenting on everything from the gamblers and bookies doing business to the particular style of hat worn by a woman in the crowd. Editor Jim Reisler collects Runyon's writings on every facet of the game, making this a unique and indispensable look at our beloved pastime.

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

2017-01-22_10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

20170122_123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
