

The Legends of Last Place: A Season With Americas Worst Professional Baseball Team (Kindle Single)

Lifelong baseball fanatic and former college ball player Abe Strep had long since grown disillusioned with the slick spectacle of modern major-league baseball when he discovered the Santa Fe Fuego, a scrappy upstart team struggling through its first season in an independent professional league that few baseball fans had even heard of. The Fuego players were paid barely fifty dollars a week. They slept on the couches of sympathetic fans and cleaned up the trash in the ballpark themselves after games. As the last-place team in the least-prestigious professional league in America, they had acquired a unique distinction: They were officially the worst professional baseball team in America. The Fuego might not have been winners, but they were fighters and dreamers, willing to suffer the indignities and disappointments of life in the minor minor leagues for a shot--however remote--at the big time. In *The Legends of Last Place*, Strep spends a season with the team and its members--the grizzled Vietnam veteran coach with his number tattooed on his back, the pitcher attempting his third comeback as the oldest pro in the game, the one-time Mets recruit fallen on hard times--and finds something he thought had gone missing from professional baseball: its heart. Another title for Abe Streeps hilarious and heartbreaking account of the ups, downs, and farther downs of life in indy baseball might be *The Catastrophic News Bears*, yet somehow its never depressing. This wonderful story is about so much more than baseball. Tom Bissell, author of *Magic Hours* and *Extra Lives* If you love baseball, you will find *The Legends of Last Place* irresistible; if you love clear, lucid prose, you will find it a pleasure. I happen to love both, so *The Legends of Last Place* had me from the very first sentence. Daniel Okrent, author of *Nine Innings* and *Last Call*

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

2017-01-22_10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

20170122_123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
