

Stock Market Investing for Employees

Stock Market Investing for Employees is a book specially written for employees. The book capitalizes on the unique edge employees have in the stock market. It is unfortunate that in spite of having this unique edge, employees stay away from the stock market. The financial community, which comprises stock analysts, fund managers, experts, brokers, et cetera, has made the stock market so puzzling for the layman that many people have come to dread the market. In reality, stock market investing is easy and all common sense. The stock market is one of the most effective ways to earn money without having to work yourself. This book will tell you all you need to know about the stock market and how to operate in it profitably.

Table of Contents:
Introduction
1. Essentials of the Stock Market
2. Investing in Stocks
3. Investing in Stocksthe EPS Approach
4. The Most Important Stock-Related Issues
5. Traits of the Successful Stock Investor
6. Stocks vs. Other Investment Vehicles
7. Money Management
8. History of Stock Market Crises
Index

Key Features: This small book is what all you will ever need to operate in the stock market. The book has been generically written, so no matter where you live you can apply its methods. It has no stock-specific examples, and this gives the book a universal appeal. Whether you are a novice or already a stock investor, you will find the book useful. The book will equip you with the basics of stock investing. Its out-of-the-box approach will offer a fresh insight into the stock market and stocks. The methods suggested in the book are easy yet effective and can be practiced by anyone, especially employees, who have only limited time at disposal. The book has no graphs, charts, and unnecessary math and financial jargon. It has only pure information that can be readily put to use. Access supporting templates free of cost on the website of the

book. The bonus chapter on money management will help you set your financial curve in shape.

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

2017-01-22_10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

20170122_123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no

conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
