

## Six Little Ducks (Sing A Story Book 3)

Read the story. Then sing the story! It isn't a secret that using songs to teach children pre-reading skills is fun and successful. This classic song is featured as a read-along and a sing-along. Quack, quack! Wobble-wobble, wobble-wobble! Follow the six little ducks as the one little duck with the feather on his back leads them on an adventure without their mother's watchful eye! Young readers will laugh at the amusing illustrations as they go on a hike with these loveable ducks. Count the ducks on each page as they slide down a hill, swim in the blue river, and head back home to Mother duck. The fun Sing A Story series includes: Five Little Monkeys Jumping On The Bed, Old MacDonald Had A Farm, Ten In The Bed, B-I-N-G-O, Down By The Bay, Humpty Dumpty & Other Nursery Rhymes, Six Little Ducks, Five Little Skunks, ABC Nursery Rhymes, The Wheels On The Bus, This Old Man, How Many Ducks?, Old MacDonald's Letter Farm, The ABCs, Singing The Consonant Sounds, The Farmer In The Dell and Its Silly Time!

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

2017-01-22\_10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22\_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

20170122\_123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo. 2017-01-22\_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122\_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122\_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no

tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
