

Strange Forces 3

Halloween is here. The excitement level in Fairfield is at an all-time high. The town has been named the scariest place in the country, and the media has descended to see what happens on the creepiest night of the year. Their timing couldn't have been worse. Somethings come to life in the field behind the oldest estate in town, Fairchild Manor. Something so incredible, its wanted by the most powerful supernatural treasure hunters in the world. They're on their way to Fairfield to claim the prize and they'll stop anyone who gets in their way. Especially Rilo Buru and his team of young adventurers. Once again, this renegade monster has joined forces with the kids from Fairfield Junior High. Together, they battle the dark armies threatening their town. Possessing supernatural powers themselves, the kids think they can handle whatever creepy craziness arises in their town on All Hallows Eve. They're wrong! Strange Forces are invading Fairfield in search of the power to turn the town inside out, and expose the areas darkest secrets to the entire world. Can Rilo and the kids survive the night while defending Fairfield against its greatest threat? All eyes are watching . . .

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

2017-01-22_10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

20170122_123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo. 2017-01-22_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
