

Stranger to the Truth

How does a privileged, eighteen year old end up in prison, convicted of one of the rarest of crimes--matricide? The literary nonfiction *Stranger to the Truth* explores the fatal intersection in the lives of Noura Jackson, her circle of dissolute Memphis friends, and the death of Nouras mother, Jennifer, on the eve of a popular outdoor festival. The brutal attack seemed to reflect personal and exponential rage. Tragedy stalked Noura. Her father was fatally shot when she was seventeen. A mystery never solved. A year later an auto accident claimed her best friend. Both mother and daughter were reeling from shock, grief, and confusion. The tension between them escalated until Nouras difficult teenage years yielded to something much darker. More than a whodunit, this fact-based account tells a spellbinding tale of impetuous youth and a single parent who too late assumes the role of disciplinarian, saying no to the demands of her daughter who will not listen. Weaving multiple points of view, back stories, and extensive research, *Stranger to the Truth* corrals a timely, complex story in an absorbing narrative.

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

2017-01-22_10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

20170122_123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
