

Teenagers Translated: How to Raise Happy Teens

An essential guide for parents of teenagers from the creators of a successful parenting course aimed at the teenage years. The teenage years are acknowledged to be the most testing stage of parenting when well-mannered and obedient children can transform into rude and rebellious teens. However, parenting a teen doesn't have to be a battle, and counselors Janey Downshire and Naella Grew have developed a program to help parents get the best out of the teenage years. Their approach is positive and straightforward, providing simple strategies for nurturing better behavior and providing a happy, supportive home environment. The book tackles how to help teens feel supported and secure; strategies for improving communication; dealing with digital technology and media influences; ways to encourage self-confidence and independence; and coping with challenging behavior, attitudes, and pastimes. It also covers drinking, drugs, smoking, sex, porn, video games, bullying, peer pressure, loneliness, and eating disorders. This book provides a positive, enthusiastic, and inspiring approach to the teenage years, showing how parents can help their teens develop the skills they will need for a happy adult lives.

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

2017-01-22_10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

20170122_123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo. 2017-01-22_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
