

Thank you for your business: The Jewish Contribution to the British Economy

Over the centuries, arguments have raged over whether or not Britain should be welcoming toward immigrants. This is a book about a tiny proportion of the immigrants to whom Britain did grant asylum, refuge, and liberty. It is the first detailed examination into the survival and economic growth of the Jews in Britain. In Stuart times, the Jews amounted to a few hundred people. Today, there are still only 300,000 Jews in Britain. When they came to that country as impoverished immigrants, they had no jobs, little education, and could not speak English. And yet, some went on to run the biggest business empires in the country. Illustrated throughout, Thank You for Your Business details the astonishing contribution Jews have made over the years to the British economy: how they sustained the currency through many wars; how they invented jigsaw puzzles and postcards; and the creation of such household names as Lyons, Glaxo, Burtons, Shell, ICI, Ladbrokes, and many more. The book examines the background of their founders to see what enabled them to spot opportunities that others missed, and how they overcame obstacles and succeeded where others failed. Over 350 firms are examined to describe the survival and economic growth of the Jews in Britain and to assess the contribution of their cultural and religious background to the success of these entrepreneurs. [Subject: Business, History, Jewish Studies]

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

2017-01-22_10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

20170122_123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
