

The Naked Trader: How anyone can make money trading shares

The most entertaining book on how to trade shares is back! Ever thought about investing in shares but got frustrated by all the gobbledegook? Bored by all the jargon? Then The Naked Trader is for you! This is the book on stock market investing that you can actually enjoy, written in plain English, packed with real-life trading examples and full of candid advice that you just can't get anywhere else. It's the ideal friend for anyone who wants to make money in the markets. In this completely updated and expanded 4th edition, Robbie Burns (aka the Naked Trader) gives you the lowdown on what you need to make money from today's markets without having to sit at a screen all day or swallow a financial dictionary. Even better, he shows you how to do it all tax-free! The first three editions of The Naked Trader flew off the shelves as glowing reviews mounted up. This brand-new 4th edition contains even more of what made it so popular. There are more exclusive tips and ideas, more winning trades shown from start to finish, and more real-life trader tales of triumph and disaster. Not to mention 20 proven strategies that you can use to make money in the markets and a breakdown of some of the trades that have helped Robbie make more than £2 million tax-free. Trading shares, eating toast, making money between cups of tea, rounds of toast and watching Deal or No Deal, Robbie tells you all you need to know to become a successful trader: from how to find good shares in the first place, to the best times to buy and sell, as well as how to make sure you have the right mindset for long-term success (it involves an unlikely combination of the secrets of Derren Brown and Dads Army ...). You can also find out how Robbie has even made money during market meltdowns - as well as what his biggest mistakes have been so that you can avoid them! If you're a complete beginner, The Naked Trader is the best

place to start. But its also absolutely perfect if youre already trading and want to learn some new, common-sense trading ideas that really work. So whether you just want to make a few quid on the side while youre at work or want to go on to make money from the markets full-time and quit work like Robbie, The Naked Trader is everything youve been looking for. Grab some tea and toast and start trading the naked way!www.nakedtrader.co.uk#nakedtrader

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

2017-01-22_10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

20170122_123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no

conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
