

Through the Eyes of Mary Magdalene: Book II: From Initiation to the Passion (Volume 2)

Estelle Isaacson presents further visions of the life of Mary Magdalene in this second book of the trilogy *Through the Eyes of Mary Magdalene*, subtitled *From Initiation to the Passion*. As before, this text is graced with many illustrations by James J. Tissot. Part One opens two months after the raising of Lazarus, as Jesus returns from his journeys in pagan lands. Magdalene hears of the time he spent with the Magus who had visited the infant Jesus bearing gifts of gold. We are then taken into a series of initiations she underwent in a secluded cave in preparation for the Passion. In Part Two we learn of plots against Jesus and witness the Triumphant Entry, the Cleansing of the Temple, the Address to the Greeks, and another anointing by Magdalene. Part Three encompasses the Passion and Resurrection. The betrayal by Judas is depicted in detail, as well as the consequences of his deed for his soul. New light is shone upon many mysteries of the Passion: from Jesus Agony in the Garden to the dream of Pilates wife Claudia, from the merging of Lazarus with John of Zebedee under the Cross to the great mystery of Magdalenes role in the Passion. The crowning event of this book is of course the glorious Resurrection the most important event of all time! which we witness through Magdalenes eyes, gaining new insight into its profound mystery. Part Four comprises seven appendices that shed light on themes raised in the text, including a vision of the Gold King as a youth, and visions of Cassius and Abenadar the two centurions converted at the cross. This inspiring volume is preceded in the trilogy by Book I, subtitled *Early Years & Soul Awakening*. Book III, subtitled *From the Ascension to Journeys in Gaul*, is in preparation. Estelle invites us to stand witness by her side, in community with the Logos and with Sophia. She tells us we need not wait until we are perfect, for Christ comes to us now!

From the Introduction to Book I This second book in Estelle Isaacson's Magdalene trilogy enters into the profound mysteries surrounding the stages of the Passion, culminating in the Resurrection. All who are interested in the Mystery of Golgotha will benefit from reading and contemplating these extraordinary and penetrating visions. Robert Powell, author of *The Mystery, Biography & Destiny of Mary Magdalene*.

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

2017-01-22_10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

20170122_123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no

conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
