

Negative Thoughts: Discover How to Stop Negative Thoughts by Changing the Way You Think

If you're finally ready to let go of negative thought patterns and quit believing that happiness is hard to come by, then this book is for you! Read on your PC, Mac, smart phone, tablet, or Kindle device. When negative thoughts inadvertently creep into your head, they can quickly find a way of taking over your life. If left to your habitual way of thinking, negative thoughts can have devastating consequences in your life. And knowing such, you have probably tried countless times to stop and force yourself to think about something positive instead, but as you may have found, that's much easier said than done. Negative thoughts are sometimes so strong that they sap our energy and drain our motivation, making us feel physically tired and even sickly. However, with a little practice and the thought-changing methodologies presented in this book, anyone can break free of negative thought patterns for good. If this sounds like something you'd like to try, then download this book now and let's get started! Here is a preview of what you'll learn... Understanding What's Really Behind Negativity Recognizing Negative Thinking Patterns Learning to Observe Your Own Thoughts How to Inundate Yourself with Positivity Practicing Yoga and Meditation How to Effectively Introduce Positive Thoughts Changing Your Mindset What to Avoid Much, much more! Download your copy today!

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

2017-01-22_10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende

tras un durillo cortafuegos.

20170122_123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
