

Trial by Journal

Lily Watson is twelve. Shes in sixth grade. Shes about to serve on a jury for a murder trial-all because of a new law saying a child must serve on the jury when a trial concerns a child victim. Shell be out of school for a month, and that means shell have to go to summer school. And That Is So Unfair. Fortunately, the jury experience isnt all bad. The jury stays in the Menagerie Hotel, where every room is decorated like a different animal. They get a behind-the-scenes tour at a local zoo, home to Priscilla, the world-famous gorilla artist. Lily even makes friends with a glamorous movie star who happens to be on the jury. But nothing--even the fact that the hotel is part of the Tyle-0-Tropolis, an incredible entertainment complex--changes the fact that the jury is witnessing the trial of a man who has been accused of killing Perry Keet, an eleven-year-old boy who disappeared one day at the zoo. Lily has her own thoughts on what happened to Perry, and if the real story isnt revealed in court, shes going to find out for herself what happened. Told through journals, memos, illustrations, newspaper articles, and court documents, Trial By Journal is both a funny mystery and an insiders look at the workings of a jury trial, by the author and illustrator of Regarding the Fountain and Letters From Camp.

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

2017-01-22_10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

20170122_123405

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de

Arkamo.2017-01-22_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
