

When the Birds Begin to Sing

Excerpt: ... starts in trepidation; her thoughts have been so far away that they are brought back to the present with an effort. She sees before her a face lined more deeply with sorrow than time, a woman who might still have considerable beauty had she not dyed her hair in her youth and ruined her complexion with cosmetics. The request does not offend Eleanor, for Mrs. Roche is easily won by a kind look or a smile. She hands the photograph across, watching the stranger's expression. What a handsome face! she exclaims, with a little gasp of admiration. Yes, sighs Eleanor. I never saw such mesmeric eyes, and yet they are soft, though powerful. I should say that man must have broken many a heart with those eyes. She looks shrewdly at Mrs. Roche as she speaks. If he loves you, she continues, he will be true. Eleanors head droops. You love him, said the stranger, reading the tell-tale blush. Are you going to marry him, my dear? No, falters Eleanor, I wish I could. Ah! I thought so. Forgive me for my curiosity, but your face interested me, and I am not conventional. I always speak if I wish, though it offends some people. To me the fashion of introducing seems absurd. Here we are all jumbled up together in the same little world, yet everyone is a mass of reserve, a mind in armour, they never say what they mean, seldom speak from the heart. One is in the dust, and another on the throne, and they all die in like manner, to be buried most probably by a man they would not have dared address without an introduction, measured by an undertaker they could not have been seen walking with in the street, and to mix with thousands of spirits whose ancestors and pedigree are unknown. Eleanor listens in surprise. Are you uncertain about your future? the stranger asks. A little, falters Eleanor nervously. Then let me look at your hand, I may be able to help you. No, the left hand please,

as Mrs. Roche tremblingly unbuttons her right glove. Ah! as the...

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

2017-01-22_10-36-17

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

20170122_142807

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no

conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
