

Your First 90 Days in Network Marketing: A Complete Guide To Social Network Marketing

97% of people in network marketing fail, yet network marketing creates more millionaires than any other industry in the world. Your First 90 Days In Network Marketing written by industry veteran of 25 years Richard Ramos, provides individuals a blueprint to build a solid foundation so that they can fulfill their dreams of being able to work from home part time generating a full time income. Richard Ramos has taken traditional offline companies and transformed them into online powerhouses. In recent years, Richard Ramos took a small business and in two years helped them generate over 1 billion dollars in sales. Even though this book focuses on the network marketer, its simple marketing strategies can be used by almost any business. Your First 90 Days In Network Marketing helps you identify your WHY and puts it into action with step by step instruction to help you create momentum and develop income for life. This book will take you from traditional belly-to-belly marketing so what we call Social Network Marketing, utilizing services like Facebook, Twitter, Hubpages, Digg and much more. We conduct presentations to thousands of people around the world at live events, and we always ask the following two questions (you can fill in the blank with your product or service). How many of you are here to learn more about the _____, please raise your hands. (you always get a few people that raise their hands). Then we ask, How many people are here to learn how to make more money? Do you want to guess how many people fanatically raise their hands with excitement at the second question? Almost everyone! Take notice that we use the word learn in both those questions. People want to learn! The one common denominator in this industry, is that people get all hyped up after enrolling at an event or home party and don't know what to do next. Most people in this

industry are sponsored by someone that just previously enrolled and also has no experience as to how to build a network marketing business. This book will not take you through the history of network marketing. We cover that subject in our other book *The Ultimate Guide For Network Marketing. Your First 90 Days In Network Marketing* was designed to help you build a strong foundation over the next 90 days. Why 90 days? 90 days is point where most people give up. Most people give up because they over complicate this business, and they have not been shown an easy systematic way to duplicate themselves. Yes, I used the word easy. Just follow the easy steps outlined in the book and you'll be on your way to a lifetime of residual income. Our mission is to give our fellow network marketing community a strong foundation to help build their empires in today's ever-changing world of technology, help them become dominant players in the industry and mentor them to help change the perception of network marketing. Our industry of the home based business with the help of the internet is now converging globally into what we call Social Network Marketing. I'm convinced that Social Network Marketing is the only way people will build their financial empires now and in the future. Businesses that don't use this model will struggle and possibly cease to exist.

Agradable ruta realizada junto al Bilbao Alpino que parte desde la localidad alavesa de Guinea, en la vertiente Sur de la sierra de Arkamo y que discurre por las cimas de Olvedo, Pelistornes y Cantoblanco.

Desde Guinea el camino es muy evidente, ya que las dos primeras cimas están muy cerca y separadas por un pequeño collado. Su subida es corta y casi directa y está señalizada justo a la salida del pueblo.

Al Olvedo se llega relativamente rápido. A pesar de que las nubes a veces nos impiden apreciar las vistas, el paisaje se intuye precioso.

Para pasar del Olvedo al Pelistornes tan sólo tenemos que cruzar el collado y llegaremos en apenas 10 minutos a nuestra segunda cima del día.

2017-01-22_10-53-02

Una vez coronadas las cimas anteriores hay que continuar la travesía en dirección a la al Cantoblanco, que se asciende tras un durillo cortafuegos.

Desde la cima tenemos justo en frente el Montemayor, máxima altura de la vecina sierra de Arkamo.2017-01-22_13-00-09

Finalmente, iniciamos el descenso hacia la curiosa localidad de Salinas de Añana...

...donde podremos completar la ruta con una visita a las propias Salinas.

20170122_142812

Una ruta de unos 15 kilómetros sin dificultades reseñables. Únicamente se hace necesaria logística de vehículos. De no tener esta facilidad entonces es mejor realizar únicamente la subida al Olvedo y Pelistornes.

Los Retos de 2017

Publicado el 01/24/2017 por 12meses12montes

Bueno, un nuevo año que ha pasado y uno nuevo que acaba de comenzar. 2016 fue un año muy intenso, si bien los retos que nos marcamos en un principio sólo se vieron cumplidos en una tercera parte. No fue un buen año para ellos, ésta vez la alineación de planetas se generó en pocas ocasiones.

Sin embargo, no decaemos. Cogemos el testigo y no vamos a desistir en su intento, por lo que los retos que no conseguimos cumplir en 2016 serán los que tratemos de realizar en 2017, más algunos otros, a ver qué os parecen. Seguir leyendo
